LOT 211 - LandHonor 6 x 4 Metal Pent Shed w/ Skylight

6'X 4' METAL PENT SHED WITH SKYLIGHT

FEATURES

A fun 2-part shed ideal for storing tools, equipment, and

hoses, and equipment, suitable for any garden or

backyard.

With 23 square feet of floor space, it's spacious enough for

tools, lawn mowers, and long-handled tools.

Made from high-quality steel tiles and galvanized steel.

These materials are non-toxic, eco-friendly, and offer

protection against sun and rain. Features a 28" wide sliding

door for easy access and a sloped roof to prevent

water buildup, eliminating the need for shingle

replacement and water leak concerns.

Can be easily assembled with basic tools and self-tapping

screws, perfect for a DIY project with friends.
