

Sale Name: Fall Equipment Liquidation: Excavators, Implements & Metal Buildings

LOT 3 - *40 FT CONTAINER REMOVAL*** PLEASE READ****

Description

Redfield Group Auctions does not have the machinery capacity to load a 40ft container onto a flatbed truck. While we can assist with the loading process, we do not have equipment large enough to completely pick up and position the container (We can help slide but can't lift completely).

We recommend Hare Wrecker Service 256-492-1585 in Glencoe, Alabama for delivering containers.
