Description

Brand: PQH Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Model: JHS-A016K-07KR-D3 Star Rating: 0.0 Title: \$400 10000 BTU Portable AC for Room up to 450 Sq. Ft Unlock Cool Comfort without Breaking the Bank: Being worried about sky-high summer bills? Let's start an exceptional cooling journey with our energy-saving and cost-efficient air conditioner. Experience instant room-cooling magic within 3 seconds, all for less than 50 cents a day. Our 10000BTU air conditioning unit effectively cools rooms up to 450 sq.ft., perfect for dorms, apartments, cabins, campers, offices, bedrooms or living rooms. 3-in-1 Versatility for Every Season: Featured with 3-in-1 modes, our portable air conditioner makes you free to choose from cool/fan/dehumidifier modes tailored to your demands, making itself a smart choice for any season. An upgraded compressor boosts cooling by 80%, maintaining steady performance and whisper-quiet operation. Plus, a high-quality air filter offers the whole family fresh cool air. Faster Fresh Cool Wind Supply Circulation: Experience uninterrupted comfort as our air conditioner circulates refreshing breezes throughout the room. This air conditioner effortlessly delivers cool flow to the farthest corner even in the spacious room, fast cooling the room in the hot summer and keeping a lower temperature as you want. Flexible Panel

Control & Remote Control: Adjust speeds and modes via buttons on the top, , granting you instant control with finesse. Plus, the remote control allows you choose the fan speeds and cooling preferences from 16ft away while lounging on the couch or nestle in bed. With a simple remote control and a panel, our air conditioner is user-friendly enough to operate, even seniors unfamiliar with smart appliances. 24H Timer & Smart Sleep Mode: Tailor your cooling experience with a 24H timer and sleep mode, and set startup or shutoff time freely, ensuring a cozy environment whenever you need it. Our Whisper-quiet air conditioner works at a trickle-like sound of around 46dB, when a child lock is designed to keep little ones or pets away from harm.
