**LOT 446 - Retractable Garden Hose Reel 1/2 in x 65 ft**

**Description**

Brand: glahoden Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Model: NW-J20 Star Rating: 0.0 Title: \$63 Retractable Garden Hose Reel 1/2 in x 65 ft Lightweight Freedom for Small Spaces: The 1/2 in x 65 ft hose combines lightweight design with 50% less stretching and retracting resistance, making it perfect for balconies, patios, or compact gardens. Easy to install, move, and store, it turns small-space watering into a quick, hassle-free task. Innovative Dual Ratchet Locking System: Featuring GLAHODEN's patented technology (US011319184B2), this system has passed 3,000 rigorous tests, ensuring a locking precision of 0.65 ft. It's 50% more durable than traditional locks, providing precise positioning from balconies to garden edges no more dragging excess hose. 20,000-Cycle Self-Retracting System: The heavy-duty alloy spring has undergone industrial-grade fatigue testing, maintaining consistent retraction force. With the auto rewind water hose reel, the 20% slower retraction speed prevents snapping hazards while improving storage efficiency by 90%. UV + Freeze-Resistant Dual Protection: The water hose reels for outdoor use feature a UV-resistant coating, tested to withstand temperatures from -4 F to 122 F, doubling the product's lifespan. Say goodbye to cracking, fading, and weather damage this reel is built for year-round use. Burst Resistant Hose: The hose on this hose reel for outside features 3-layer PVC + reinforced fiber braid, tested to 348 PSI burst pressure (3X the 120 PSI working pressure). Unlike inflated claims, this safety margin ensures no leaks

or bursts for 2+ years of stable use. Self-Aligning, Low-Friction Guide System: The upgraded self-lubricating nylon guide on these hose reels for outside has passed 3,000 cycle tests, reducing friction by 60%. It ensures smooth, tangle-free retraction and keeps your yard neat and organized. 220 lb Heavy-Duty Mounting Bracket: The wall-mounted hose reel features a reinforced bracket and metal + nylon composite connection tube, tested for static load capacity. It provides stable, deformation-free support, while the hidden handle + quick-release design allows for easy disassembly in just 3 seconds ideal for winter storage. 9-Pattern Multi-Functional Nozzle: Switch between mist, jet, and fan spray modes for watering, car washing, and cleaning tasks. The ergonomic, non-slip handle ensures a comfortable grip.
