Description

Brand: SOCATER Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Model: MZZ-1 Star Rating: 0.0 Title: \$40 33" Sisal Cat Scratching Post for All Breeds Impressive Height: Our cat scratching post stands tall at 33 inches, offering ample vertical space for your feline friend to explore. Equipped with 5-inch long, wide sisal posts, it provides an expansive scratching area, allowing your cat to stretch and scratch to their heart's content. Authentic Sisal Fibers: Crafted from 100% natural sisal fibers, our scratching posts replicate the texture of tree bark, a favored scratching surface among cats. This natural resemblance entices your cat to indulge in healthy scratching behavior, fulfilling their instinctual need while preserving your furniture. Ultimate Stability and Durability: Reinforced middle structure enhances stability and longevity. Secure assembly with 4 screws ensures lasting integrity. Sturdy Foundation: Our scratching post base, measuring 15.7" x 15.7", for enhanced stability. This wider footprint s the structure's firm placement, even during intense scratching or play. Cats can safely enjoy the post without worrying about tipping or instability. Easy Installation: Complete with clear installation instructions, our scratching post is easy to assemble, allowing you to set it up quickly and effortlessly, so your cat can start enjoying it right away.
