Coverage Luxurious Metal Body, Cold-Air Diffusion This is a luxurious diffuser, crafted entirely from expensive alloy materials both inside and out, with an anodized surface finish. Its luxurious texture and exquisite craftsmanship showcase your unique taste in life. The newly upgraded air pump atomization system, combined with water-free diffusion technology, releases essential oils into a purer, richer, and longer-lasting fragrance, creating a pleasant atmosphere in the space. It is suitable for various places, including living rooms, bedrooms, hotels, and offices, easily creating a five-star hotel-like ambiance. Waterless and Residue-Free, Pure Enjoyment The latest cold air diffusion technology enables essential oils to be instantly converted into nano-sized mist through precision atomization pipelines. During this process, the purity of the essential oils is perfectly preserved, with no residue left behind, eliminating the hassle of cleaning. The set includes 120ML of high-

quality hotel fragrance oil. Our fragrances are made from natural ingredients, feature vegan formulas, and contain no harmful chemicals, ensuring safety for users, pets, and the environment. Allow yourself to fully enjoy a long-lasting, charming, and immersive fragrance experience, as if you were in a five-star hotel. Extended Battery Life, Convenient and Worry-Free This wireless battery-powered aroma diffuser features a long-lasting battery, capable of running for up to 10 days without being plugged in. It eliminates the hassle of frequent charging and the clutter caused by wires and sockets. You can easily adjust the settings as needed, switching between intermittent mode and continuous mode, allowing the lingering fragrance to wrap around you like a light mist. Enjoy a serene and pleasant olfactory experience. The all-metal body effectively isolates operational noise, creating a quiet retreat, which is perfect for both home and office environments. Smart App Control, Customizable at Your Fingertip Simply download our AROMA PRO app to start your intelligent aromatherapy journey. This programmable app allows you to easily customize the fragrance intensity and operating time throughout the day, catering to your various fragrance needs and creating an ideal scent environment anytime and anywhere. Moreover, you can set exclusive schedules to avoid wasting precious essential oils during unnecessary times. A small amount of essential oil can achieve long-lasting fragrance diffusion, with a scent coverage area of up to 1,000 square feet. scentiment scent diffuser starter kit We have meticulously prepared high-quality, impact-resistant, and exquisitely designed multi-layer packaging for you.
