Description

Brand: jengush Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Model: jengush Star Rating: 0.0 Title: \$100 Battery Operated Wall Sconces Set of 2 American vintage style vanity light fixtures: This is an American Vanity Lights Fixtures with three bulbs to give you plenty of filling effect. The lampshade is made of fabric material, lightweight and not easily damaged. Battery operated: The lamps are battery operated using rechargeable bulbs, which are E26 in size. The bulbs only need to be charged for two to three hours to last more than 20 hours. Light fixtures don't connect to your home's electrical wires, can also be used during the blackout. (With bulbs+charging cable) Remote control: Lamps are controlled by remote control. With the remote control, you can turn the lamp on and off, change the color temperature, adjust the brightness, and turn on the flash. The remote controls have a range of up to 15 feet. The size of the remote control is exquisite and small, which can make your daily use more convenient. (With remote control) 4 Color Temperature Dimmable: The color temperature of the light can be switched between white light, yellow light, warm white and warm yellow.

The brightness of the light can be adjusted between 10% and 100%. You can change the lighting properties for a more comfortable lighting environment. Easy to install: The lamp is designed for non-hardwired installation, it is not connected to the home wiring, you do not need to consider the distribution of the home wiring when installing the lamp, you can freely install the location. This design makes the installation process much easier. You do not need to have an electrician's license to install the lamps, There is no risk of electric shock and the installation process is much safer.
