LOT 326 - Keypad Mount Post w/ Cover, Adjustable 37 -45

Description

Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Star Rating: 0.0 Title: \$70 Keypad Mount Post w/ Cover, Adjustable 37 -45 Waterproof: Keypad mounting post is equipped with waterproof cover, effectively preventing the ingress of rain, snow, and debris, thereby enhancing the safety and reliability of the keypad installation Universal Design: Keypad mounting post features a universal design with multiple mounting holes on the installation plate, which can accommodate most automatic door-opening keypads and effectively avoid issues caused by model incompatibility Height Adjustable: The height of the automatic door opener keypad mounting post is freely adjustable between 37 inches and 45 inches, making it easy to adjust to a height that

suits you whether you are driving or walking. Compatibility: The dimensions of the keypad mounting pedestal are 4 x 4 inches. Please measure your door keypad to ensure compatibility before purchasing Durable: Keypad mounting post is made of high quality heavy duty metal with black powder coated surface, which is durable and can easily cope with the erosion of the outdoor environment, effectively preventing rust and corrosion Simple and Convenient: Once installed, Keypad mounting post allows drivers to operate the keypad and open the gate without leaving their vehicles. It also shields the keyboard from harsh weather conditions, enhancing its security and longevity, thus providing great convenience to users.
