Description

Brand: MultiVid Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Model: Ceiling Fans with Lights Star Rating: 0.0 Title: \$83 42 Inch Ceiling Fans with Lights, Low Profile Ceiling Fans with Lights and Remote 42 inch ceiling fans with lights are equipped with a convenient remote control that allows you to easily adjust 6 speed settings, switching freely from a gentle breeze to a strong airflow. The ceiling fan can be controlled independently, and the smart dimming function enables smooth brightness transitions from 10% to 100%. It supports three color temperatures warm light, neutral light, and cool light which meet the needs of various scenarios such as reading, relaxing, or partying. Ultra-Quiet and Energy-Efficient Design The ceiling fan features aerodynamically optimized blades and a high-efficiency DC motor, with an operating noise level of only 35 decibels (quieter than the sound of falling leaves). Compared to traditional AC motors, it saves up to 70% of energy. It is particularly suitable for bedrooms, nurseries, and elderly rooms where quietness is essential, allowing you to enjoy coolness while saving on electricity bills. Four-Season Intelligent Recirculation System The remote control allows you to set 2/4-hour timer functions and independently adjust the light and fan. In summer, the fan rotates counterclockwise to deliver strong airflow for rapid cooling. In winter, it rotates clockwise to evenly distribute warm air. The low profile ceiling fan with light is perfectly suited for various spaces such as living rooms, bedrooms, cottages, farmhouse and pavilions. Experience

worry-free installation with this ceiling light kit that includes all necessary hardware and detailed instructions. Designed for flush mount installation on flat ceilings, it allows you to easily complete the DIY installation and instantly enjoy the convenience of remote-controlled lighting and fan functions. This modern flush mount ceiling fan with lights is perfect for your bedroom or any indoor space. It also works well as an outdoor ceiling fan, providing both illumination and air circulation. Exceptional Quality and Durability Our flush mount ceiling fan with lights is meticulously crafted from high-quality materials. Suitable for use as a bedroom fan or an outdoor ceiling fan with light, it meets various needs.
