LOT 72 - MERACH Exercise Bike, Brake Pad Stationary Bike

Description

Brand: MERACH Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Star Rating: 0.0 Title: \$240 MERACH Exercise Bike, Brake Pad Stationary Bike Why Choose MERACH: Game Riding increases the fun of exercise, and the upgraded spring stationary electric bike for adults increases the shock absorption effect and reduces exercise pain. The double-slot water bottle holder can not only replenish water at any time, but store personal belongings. INVERTED TRIANGLE DESIGN: The magnetic resistance exercise bike with dumbbell rack features a solid frame with an inverted triangle design, offering exceptional stability. Its one-piece stamping body has fewer than 5 welding points and supports up to 300 lbs, ensuring durability and high load-bearing capacity. SAFER AND QUIETER: Unlike those inferior indoor exercise bikes with iron sand flywheels, MERACH exercise bike with bluetooth adopts inertia-enhancing cast iron wheels, which will not cause problems such as loud noise and broken pulleys; the new magnetic resistance system brought by industrial grade bearings and ABS pulleys

makes the noise of the movement no more than 25dB. PERSONALIZED DESIGN: This home exercise bike features a 2-way adjustable non-slip handle and 4-way adjustable ultra-soft seat for all users from 4'8" to 6'2". LED display to record time, distance, calories and other exercise data; Special design of dumbbell rack to conveniently store a variety of dumbbells, and includes common safety bars, plate holder, water bottle holder, and cage pedals; Bi-directional transport wheels are designed to make it easy to move around. 80% PRE-INSTALLED: The whole body of the fitness bike is already installed, the package comes with a toolkit, manual installation video, you only need to install and adjust according to your height and weight, the whole installation process does not take more than 20 minutes.
