### Description

Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Model: P260 Star Rating: 0.0 Title: \$80 AIUZLK Air Purifier, Large Room, 2000 sqft Large Room air purifier: The AIUZLK P260 air purifier is equipped with a powerful 24W brushless motor and effectively covers an area of up to 2000 sqft. In just 30 minutes, you can experience a noticeable change in air quality. Whether it is a bedroom, living room, office or kitchen, it can adapt perfectly. It is an ideal choice for anyone who wants to significantly improve the air quality of a large room. 3-Stage Advanced Filtration: P260 air purifiers for home combines 3 layers of high efficiency filters, suitable for problems encountered in life, such as smoke, pet hair, pet dander, odors, wildfires, etc. It is very effective against particles larger than 0.1 microns, which can improve air quality and promote your health and well-being. Low decibel operation: The P260 home bedroom air purifier is very quiet when in operation, especially at the lowest setting, effectively eliminating any noticeable noise. The operating noise is only 22 decibels, creating a quiet and relaxing indoor environment while still maintaining excellent air purification effects,

which is very suitable for users who need a quiet environment. User-Friendly Design: Our air purifiers give you peace of mind, offering features such as timer, fan speed, filter replacement reminder and child lock control to achieve the goal of low cost and high effect, and the filter has a longer life and can be easily maintained (for best product performance, please search "B0DBT47YWQ" and "B0F1C8ZN2J" official replacement filters). Reliable Products and Services: P260 room air purifier has FCC CE RoHS ETL certificates to ensure its quality and durability.
