Description

Brand: DIVON Condition: Open Box - Not Tested In Packaging?: Yes Assembly Required?: No Damaged?: No Functional?: Yes Missing Parts?: No Star Rating: 0.0 Title: \$90 DIVON King Air Mattress, Built-in Pump 18 Luxury Flocked Surface - Covered with a premium flocked surface for plush and luxurious comfort, DIVON king air mattress is soft to touch and gentle on skin. The low-pile flocked top is waterproof and easy to clean, also helps keeping sheets or sleeping bags from slipping around. All these material upgrades are designed to allow you to sleep more naturally and wake up refreshed. Patented Coils & Structure Technology(U.S.Pat. #US012108880B2) - The king size air bed integrates 40 internal coils in a honeycomb pattern with a maximum load capacity of 750 pounds. The air coil support system provides excellent ergonomic support, which can evenly and safely distribute weight from head to toe, ensuring that adults get maximum relaxation. Elevated Material Craftsmanship - With 30% thickened PVC upgrade, this inflatable mattress offers better toughness and long-term wear resistance. The anti-slip strips on the bottom ensure stability, reduce noise and prevent tipping or sliding. With its waterproof and stain-resistant properties, this airbed is easy to clean and convenient for daily use. 3 Min Quick Inflation - Equipped with a high-power 110v electric pump, the blow up mattress can be set from bag to bed in 3 minutes with the knob turning. Whether you need an extra bed for a temporary guest at home or want to quickly set up a rest area when camping, the quick inflation function of this airbed can save you a lot of time and energy. Space Saving & Easy To Carry - When fully inflated, this king air mattress measures 80*76*18 inch, providing ample space for a comfortable sleep. Deflated, it folds to an ultra-compact size, taking up virtually no storage space. The airbed comes with a storage bag for easy packing and transport, making it perfect beyond home use: ideal for travel, hiking, camping and more.
